A movement has been started by the teachers, as will be seen by the resolutions, to raise \$1,000 to finish the K. N. C. Auditorium.

When this building has been finished Lawrence County people may well be proud of her subscriptions to the fund. She will have a spacious hall for the holding of all meetings of any moral worth, for it is embodied in these resolutions that the hall shall be open free for all public meetings of a moral nature.

Subscriptions are solicited and should be sent to Dock Jordan, Louisa, Ky.
All who subscribe will be called upon to pay their subscriptions when \$1,000 has been pledged.

No student of K. N. C. can show his appreciation for the efforts of the faculty in a more appropriate manner than to write Dock Jordan subscribing \$10 or more to this fund. We hope to receive a subscription from the former students or at least \$250 within the next few weeks. More than \$700 has already been subscribed.

There will be a pie social at the Borders Chapel school house Friday night, Aug. 25, 1916. SHIRLEY HENSLEY, Teacher.

LUKE M'LUKE SAYS.

There are mighty few men who could write an essay on "What I Know About Minding Other People's Business."

If a young wife can't find anything else to have hysterics over she will sit down and bawl because she hasn't any lace on her bath towels.

It makes a good housekeeper happy to see the paper hanger arrive. And it makes him twice as happy to see him depart.

Another reason why we have so many divorces is because a woman would rather pretend to love a man than to let some other woman love him.

Even if she is still single when she is thirty, a woman always has the consolation of knowing that she was born that way.

Telling another man your troubles doesn't relieve your troubles. It merely adds to the other man's troubles.

The average man's idea of a Boob is a fellow who has so little sense he votes the other Political Ticket.

An old man measures up the space between his toes.

It might be of every kind of a good idea for some of the residents to provide ear muffs for the patrons are eating soup.—Cincinnati Enquirer.
